Dear Professor Manolis,

7/1/2016

We would be most grateful if you could include Professor Kostas Gatzoulis' name in the list of authors (as a senior author) in a recently published article in your journal (Hospital Chronicles 2015, 10(3): 157-164, Sudden Arrhythmic Death: Family Evaluation Identifies the Cause).

By mistake Professor Gatzoulis' name was not included in the list at first place.

May I take this opportunity to thank you in advance for your help on behalf of all authors.

I am terribly sorry for any inconvenience caused.

Yours sincerely,

Dr Apostolos Vouliotis, Corresponding author
